WHAT OUR GUESTS HAD TO SAY

"Our event was wonderful. What a wonderful, beautiful place, great food and a very caring staff. We had our book signing here and will most assuredly return for our next one." **Susan K.**

"I'm giving this tucked away bistro 5 stars for its location, offerings and service. This is one of those where's Waldo situations... what is this place doing in Forney? Their menu is very sophisticated for the distance away from walking street traffic and not something I'd expect hidden in Forney. The coffee was great and those waffles were amazing. I had the egg and ham breakfast sandwich which is more decadent than it sounds. This isn't your grand pappys breakfast joint... this is a little slice of upscale tucked away. You won't find hash browns here... you'll find béarnaise sauce!"
it's small and has an industrial bakery kitchen. The decor is very simple, yet sophisticated black and white with colorful art on the walls for sale." **Roxanne K**

"Forney Texas, a small town east of Mesquite... But thanks to Crumbzz we don't have to go to Dallas for a top notch breakfast! Ricotta Pancakes, Crumb Cake, Coffee that truly taste good, the menu is amazing and the owner and staff are top notch... Mark my words, Downtown Forney will be a hot spot in the next few years! Bishops Arts here we come!" **Mathew M**

"What a wonderful event for our birthday party celebration. With 40 people, we were not sure if Crumbzz was big enough but everyone did well and loved the food and service. Wonderful place to have a private party. **Waddelle G.**

"This place was amazing! The owner came to the table, examined the menu, the concept for the restaurant and turned out an amazing brunch. Soufflé takes 20 mins but I promise it is SO worth it!!! The coffee pairs so perfectly with the crumb cakes its heavenly. A great hidden gem in the heart of Forney. This is my absolute favorite spot in Forney hands down!!!" **Michelle A.**

"HOLY COW!!! What a 'diamond in the rough'!! I was taken aback by the atmosphere at Crumbzz. I would have never thought a place like this would be tucked away in Forney Texas. Crumbzz looks like a place that you would find in the Uptown area of Dallas, NOT Forney." **Kenneth P.**

"We had our annual Christmas Meeting at Crumbzz and had a great time. The music was wonderful, the food was excellent and the service was extremely attentive. Would recommend it to any one who is thinking of have a business event. **Basset G.**

"My family and I went here this morning and all I can say is wow. The chef/owner is very friendly and explained all of the menu items down to the fresh squeezed orange juice. I had the egg and ham sandwich which was insane. My kids had the waffles which tasted like a waffle and a cinnamon roll at the same time. My wife had the ricotta pancakes which she loved and my mom had the quiche. I took a bite of the quiche and it was over the top good . The coffee was great and the fresh squeezed orange juice was delicious too. We also ordered a couple of the crumb cakes. Decadent, to say the least. It seems a little expensive at first, but then you look at the quality and it's well worth" **Steve M.**

"Discovered this gem on a recommendation from a friend. I'm not in Forney often, but what a nice stop over on the way to Ham's Orchard Farm for fresh peaches! We had the waffles - which were the best waffles we have ever had anywhere - and the blueberry pancakes. Both were wonderful - but if I had to choose one, I'd definitely go for the waffles!" **Sabrina B.**

"Wow! What a cool place. This is a great place for brunch or coffee. I had the Liege Waffles and they were the best I've ever had. You've got to try them! You should definitely treat yourself to Crumbzz when you are driving through Forney to Shreveport, Canton, or going to Ham's Orchard for peaches! I'll be back." **AI T.**

"Had our Red Hat meeting at Crumbzz and were very impressed with the excellent service, great food and wonderful staff. The owner was very accommodating & gave us great input into every dish. We will definitely return" **Wells, G.**
